Information Statement

The City of Onkaparinga (the Council) is required under the *Freedom of Information Act 1991 (SA)* (the FOI Act) and the *Local Government Act 1999 (SA)* (the LG Act) to publish every 12 months an up-to-date information statement.

In accordance with the FOI Act the information statement must contain:

1. A description of the structure and functions of the council and any committee or other body that is part of or advises the council.
2. A description of the ways in which the functions (including, in particular, the decision-making functions) of the council affect members of the public.
3. A description of any arrangements that exist to enable members of the public to participate in the formulation of the council's policy and the exercise of the council's functions.

6. A description of the procedures of the council in relation to the giving of access to the council's documents and to the amendment of the council's records concerning the personal affairs of a member of the public.

Functions and structure of the council

The functions of council are set out in the LG Act (Section 7) and are summarised below:

- To plan at the local and regional level for the development and future requirements of its area.
- To provide services and facilities that benefits its area, its ratepayers and residents, and visitors to its area.
- To determine the appropriate financial contribution to be made by ratepayers to the resources of the council.
- To provide for the welfare, well-being and interests of individuals and groups within its community.
- To take measures to protect its area from natural and other hazards and to mitigate the effects of such hazards.
- To manage, develop, protect, restore, enhance and conserve the environment in an ecologically sustainable manner and to improve amenity.
- To provide infrastructure for its community and for development within its area.

- To establish or support organisations or programs that benefit people in its area or local government generally.
- To manage, and if appropriate, develop public areas vested in or occupied by the council.
- To manage, improve and develop resources available to the council.
- To undertake other functions and activities conferred by or under an Act.

Other legislation, policies, strategic management plans and budgets also impact on the services delivered by the Council. Council also acts as a relevant authority under sections 82 and 83 of the *Planning, Development and Infrastructure Act 2016*.

Delegations

Councils have certain functions and duties which they must perform, and certain powers which they may exercise, pursuant to the LG Act and other legislation.

In most cases, the relevant legislation grants these obligations and powers directly to a Council. It is not practical or efficient for the Council, as a body of Elected Members, to perform the many operational activities that are required in the day-to-day administration of the Council's roles and functions.

The LG Act allow a council to formally delegate many of its powers and functions (within certain stated conditions and exemptions) to the Chief Executive Officer (CEO). The CEO may then sub-delegate these powers and functions to other staff delegates. Council may also delegate their powers and functions to a committee of Council.

The Delegations Register includes the head instrument of delegation from the Council to the CEO. Access to the Delegations Register is available from Council's website via the following link [Delegations](#).

Composition of the Council

The Council consists of a principal member (the Mayor) and 12 ward councillors (Elected Members).

The Council is divided into six wards-

- Knox,
- Mid Coast,
- Pimpala,
- Thalassa,
- Southern Vales and
- South Coast.

Each ward is represented by two councillors with the Mayor representing the whole city. Access to Elected Member details is available from Council's website via the following link [Elected Members](#). Council elections are held every four years with the next election due November 2022.

Council and Committee Meetings

The LG Act guides the operation of local government in South Australia. The LG Act is supported by the *Local Government (Procedures at Meetings) Regulations 2013* (the LG Regulations).

Council also adheres to its own Code of Practice - Proceedings of Meetings (the Code of Practice) available via the following link [Proceedings of Council and Committee meetings](#). All Council and Committee meetings are guided by the LG Act, the LG Regulations and the Code of Practice with the exception of the Council Assessment Panel (which is established in accordance with the provisions of the PDI Act).

The Council meets at 6:30pm on a Tuesday once a month in the Council chambers located at Ramsay Place, Noarlunga Centre. Members of the community are encouraged to attend. All meeting details including times, dates, agendas and minutes are listed on our [website](#).

While the LG Act requires meetings of Council or any of its Committees to be open to the public, from time to time some matters need to be discussed in confidence. Confidential matters are covered by section 90 and 91 of the LG Act.

Council has adopted a Code of Practice Access to meetings and documents available via the following link [Agenda and Minutes](#) which relates to the principles, policies, procedures and practices that the Council applies for the purposes of sections 90 and 91. This Code of Practice has specific accountability mechanisms including the requirement to provide a summary of the use of the confidentiality provisions in Council's Annual Report.

Council Committees

Committees are appointed under the LG Act. They are generally advisory in nature without delegated decision-making powers, unless specified otherwise in their Terms of Reference. Committees assist the Council in its functions by addressing issues or projects in a detailed, interactive and less formal manner.

Committee membership and the Terms of Reference are determined by Council and reviewed annually in accordance with Council's decision-making structure. The Terms of Reference for each Committee are available via the following link

Terms of Reference. Meetings are scheduled as detailed within their Terms of Reference and details are available via the following link **Agenda and Minutes.**

Council Committees are listed below:

Agendas and Minutes

One of the main opportunities for the local communities to gain information about the business of the Council and its Committees is through the agendas and minutes (except for matters subject to an order of confidentiality under the LG Act).

Agenda and minutes as well as the recording of meetings will be available on Council's website via the following link [Meetings and Agendas](#). Agendas are available three days prior to a meeting and minutes are available five days after a meeting.

All public Ordinary Council and Special Council meetings, Strategic Directions Committee meetings and Audit Risk Committee meetings are held in the Council Chamber at Ramsay Place, Noarlunga Centre will be recorded and published on Council's website, for a period of up to 24 months.

Special meetings of Council and its Committees can be called with four hours' notice. On these occasions' agendas are available as soon as practicable after notice of the meeting is given to members of the Council.

Regional Subsidiaries

The LG Act provides councils with the ability to establish a regional subsidiary.

Regional subsidiaries allow two or more councils to join together to perform a particular function, beneficial to all its members.

Southern Region Waste Resource Authority (SRWRA) was established in December 1998 by the cities of Onkaparinga, Marion and Holdfast Bay. Under its charter, SRWRA is responsible for providing and operating waste management services on behalf of the constituent councils.

SRWRA is managed by six board members comprising two representatives from each council and an independent expert in business/waste management acting as the chairperson. Every council representative on the board has one vote on every issue and decisions are carried by

simple majority. The chairperson has a deliberative vote only. The proportional interest of council members may only be amended by unanimous agreement.

Services to the community

Council is responsive to the needs, interests and aspirations of individuals and groups within its communities and aims to ensure that resources are used equitably.

The council partners with a number of state government departments to plan, fund and deliver services to its local communities.

Council makes decisions on policy issues relating to services that are provided for its communities. Council uses its own resources as well as those of the state and federal governments (where appropriate) to deliver a diverse range of services, projects and programs.

Council employs a number of people to implement the decisions of Council. This is generally known as the council’s administration which is headed by the CEO. Five separate divisions report to the CEO:
