Delegations

- Councils have certain functions and duties which they must perform, and certain powers which they may exercise, pursuant to the LG Act and other legislation.
- In most cases, the relevant legislation grants these obligations and powers directly to a Council. It is not practical or efficient for the Council, as a body of Elected Members, to perform the many operational activities that are required in the day-to-day administration of the Council's roles and functions.
- The LG Act allow a council to formally delegate many of its powers and functions (within certain stated conditions and exemptions) to the CEO. The CEO may then sub-delegate these powers and functions to other staff delegates. Council may also delegate their powers and functions to a committee of Council.

The Delegations Register includes the head instrument of delegation from the Council to the CEO. Access to the Delegations Register is available from Council's website via the following link [Delegations](#).

Composition of the Council

- The Council consists of a principal member (the Mayor) and 12 ward councillors (elected members).
- The Council is divided into six wards- Knox, Mid Coast, Pimpala, Thalassa, Southern Vales and South Coast. Each ward is represented by two councillors with the Mayor representing the whole city.
- Access to Elected Member details is available from Council's website via the following link [Elected Members](#)
- Council elections are held every four years with the next election due November 2022.

Council and committee meetings

The LG Act guides the operation of local government in South Australia. The LG Act is supported by the *Local Government (Procedures at Meetings) Regulations 2013* (the LG Regulations).

Council also adheres to its own Code of Practice - Proceedings of Meetings (the Code of Practice) available via the following link [Proceedings of Council and Committee meetings](#). All Council and Committee meetings are guided by the LG Act, the LG Regulations and the Code of Practice with the exception of the Council Assessment Panel (which is

established in accordance with the provisions of the PDI Act).

The Council meets at 6:30pm on a Tuesday once a month in the Council chambers located at Ramsay Place, Noarlunga Centre. Members of the community are encouraged to attend. All meeting details including times, dates, agendas and minutes are listed on our [website](#).

While the LG Act requires meetings of Council or any of its Committees to be open to the public, from time to time some matters need to be discussed in confidence.

Confidential matters are covered by section 90 and 91 of the LG Act. Council has adopted a Code of Practice Access to meetings and documents available via the following link [Agenda and Minutes](#) which relates to the principles, policies, procedures and practices that the Council applies for the purposes of sections 90 and 91.

This Code of Practice has specific accountability mechanisms including the requirement to provide a summary of the use of the confidentiality provisions in Council's Annual Report.

Council committees

Committees are appointed under the LG Act. They are generally advisory in nature without delegated decision-making powers, unless specified otherwise in their Terms of Reference. Committees assist the Council in its functions by addressing issues or projects in a detailed, interactive and less formal manner.

Committee membership and the Terms of Reference are determined by Council and reviewed annually in accordance with Council's decision-making structure. The Terms of Reference for each Committee are available via the following link [Terms of Reference](#). Meetings are scheduled as detailed within their Terms of Reference and details are available via the following link [Agenda and Minutes](#).

Council Committees' are listed below:

The Strategic Directions Committee (SDC) is granted delegated powers to approve or provide advice to Council on strategic issues and initiatives in support of the delivery of its Onkaparinga Councils long-term vision for 'strong, vibrant communities'. The Committee also fulfils the role of the 'Strategic Planning and Development Policy Committee' in accordance with section 101A of the DA Act, including undertaking strategic planning and monitoring.

- The Australia Day Awards Committee will consider applications and determine the recipients of the City of Onkaparinga's [Australia Day Awards](#).
- The Chief Executive Officer Performance Management Committee (in accordance with the CEOs contract of employment) aims to ensure a high standard of leadership is provided by the Council's CEO by conducting effective performance management and recruitment processes and providing advice to Council on related matters. The Committee is also responsible to provide guidance and support to the CEO for the performance of duties and to provide formal and informal feedback.
- The Audit, Risk, Value and Efficiency Committee (ARVEC) aims to provide advice to Council on its financial reporting and sustainability, internal controls and risk management systems and internal and external audit. Section 126 of the LG Act requires Council to appoint an audit committee with specific functions and responsibilities. Council has established ARVEC to fulfil this role.
- In addition, the Council Assessment Panel (CAP) was appointed as a relevant authority under sections 82 and 83 of the *Planning, Development and Infrastructure Act 2016* (PDI Act) by resolution of Council on 13 June 2017. CAP is a relevant authority during the transition to the PDI Act and will act as a delegate of Council for the purpose of the DA Act. CAP details are available through the link [Council Assessment Panel Meetings](#). CAP can determine:
 - complex, controversial or high level of public interest development applications
 - DAs that are of significant social, economic or environmental interest
 - DAs where the Minister has determined that CAP is the relevant authority to decide the matter
 - whether any 'compromise proposal' is appropriate.

Agendas and minutes

One of the main opportunities for the local communities to gain information about the business of the Council and its Committees is through the

agendas and minutes (except for matters subject to an order of confidentiality under the LG Act).

All agendas and minutes of the Council and the Committee are publicly available at Council's offices at Noarlunga, Aberfoyle Park, Woodcroft, Aldinga and Willunga. Agendas are available three days prior to the meeting and minutes five days after the meeting. They are also available via the following link [Meetings and Agendas](#).

Special meetings of Council and its Committees can be called with four hours' notice. On these occasions' agendas are available as soon as practicable after notice of the meeting is given to members of the Council.

2.8 Regional subsidiaries

The LG Act provides councils with the ability to establish a regional subsidiary. Regional subsidiaries allow two or more councils to join together to perform a particular function, beneficial to all its members.

The Council is a member of two regional subsidiaries:

- [Southern Region Waste Resource Authority \(SRWRA\)](#) was established in December 1998 by the cities of Onkaparinga, Marion and Holdfast Bay. Under its charter, SRWRA is responsible for providing and operating waste management services on behalf of the constituent councils.
- SRWRA is managed by six board members comprising two representatives from each council and an independent expert in business/waste management acting as the chairperson.
- Every council representative on the board has one vote on every issue and decisions are carried by simple majority. The chairperson has a deliberative vote only. The proportional interest of council members may only be amended by unanimous agreement.
- The financial statements of SRWRA are detailed in Council's Annual Report.

Opportunities for the public to participate

The public can attend Council and Committee meetings to listen to proceedings (other than confidential items).

Opportunities are provided to allow members of the public to represent their views to Council or Council Committee meetings when they are considering items of interest to the community. Options are:

Deputation

The duration of a deputation is 8 minutes with Elected Members invited to ask questions after each deputation. A Deputation request form is available via the following link [Deputation Request Form](#).

Petition

This is a formal submission to the Council signed by numerous residents. Typically, a petition draws the attention of Council to a particular matter or asks the Council to consider making a particular decision. Petitions must be legible, clearly state the request or submission of the petitioners, include the name and address of each person who signed or endorsed the petition and be delivered to the Principal Office of the Council or emailed. A petition template is available via the following link [Petition Form](#).

The Council's approach to community engagement is intended as a continuum of activities ranging from informing to consulting to more active participation with our communities. Engagement activities are tailored for each project and the relevant stakeholders on a case-by-case basis.

- *There are many ways for the Council to connect with communities to provide opportunities for community participation.*
- *Council's Engagement Framework provides further information about the council's*

approach, including influences on decision making and the decision-making process.

- *Becoming involved in decisions*

Enquires can be made at the Council's offices.
