Environment grants					
Green South Group (Sustainable Communities South Australia)	Plant Grow Harvest	A series of workshops for residents of the City of Onkaparinga to support the development and enhancement of water-wise home kitchen gardens.	\$2,570	\$814	\$3,384
Sea Shepherd Australia Ltd	Marine Debris Campaign (MDC) SA	Hold regular, two-hour beach cleans which are free, public events involving local residents, schools, and businesses. We aim to highlight the actual and potential issues regarding debris and the marine environment, as well as offer practical alternatives and solutions.	\$1,150	nil	\$1,150
The Adopt a Spot Scheme	Safety and training video	Produce a training and safety video that will inspire individuals, families, businesses and community groups to adopt a small piece of their environment to clear marine debris and potential marine debris from our beaches, rivers and creeks including foot paths, carparks and surrounds and report any issues, and requirements that will enhance their adopted spot.	\$4,000	nil	\$4,000
Field Naturalists Society of South Australia Incorporated	Weed control at Manning Reserve	The Weed Control project at Manning Reserve will aid woody weed abatement in the reserve and so enable the growth of native plants, particularly threatened species. Experts believe that because of the biodiversity there it is essential for the preservation of native species in the area.	\$3,600	nil	\$3,600
Happy Valley Primary School	Eco-Leaders	This grant will fund visits from indigenous speakers, fund the cost of buying local native plants to establish our own biodiverse area of bush land and the cost of buying interpretive signs. We envisage our group of Eco Leader students sharing their knowledge with their peers and the wider community.	\$750	nil	\$750
Durable Resource Pty Ltd - Trading as Hackham Recyclers	Community Education	Involve community groups/ Schools to come to our yard and experience the importance of recycling.	\$2,546	nil	\$2,546
Willunga Environment Centre Incorporated	Community Education Program	Run a series of workshops, including a broad range of topics from grass roots level through to more advanced concepts. We intend to run workshops around the health benefits of growing and eating 17 produce, both mental and physical benefits, including bush foods for the home gardener, worm farming, pruning and growing of fruit trees, climate change, Aldinga Washpool and Aldinga Scrub education sessions including Migratory Birds of the Washpool, sustainable housing and retrofitting homes, ways to increase peri urban biodiversity and habitats, adapting to climate change, making gifts and practical article to reduce plastic and reduce household waste.	\$2,773	nil	\$2,773
Noarlunga Downs P-7 School	Weaving Garden	Create a weaving garden which can be used by our students and the community who visit our area after school hours. This learning space will have a range of indigenous plants that had specific usage in Aboriginal culture. This space would also include a weaving loom that students can use the plants in the area to use on the weave. Many grasses are host plants for butterflies and provide important habitat for small ground dwelling birds. Learning about local native plants and animals and Aboriginal culture will be incorporated into lessons. Our environment student action group will be responsible for research what would be the best plants to use.	\$400	nil	\$400

Organisation	Project	Project Description	Cash	In-Kind	Total approved
Tatachilla Lutheran College Association Incorporated	Identifying and bringing back the birds in the Eco classroom and surrounding communities	Since the award winning Eco Classroom Stage 1 in 2000 and Stage 2 in 2017, thousands have visited the site engaging in hands on, interactive, lifelong learning. The essence of the Eco Classroom is to develop in students and visitors an understanding of the importance of nature and natural processes. This facility encourages the attitude to enjoy and appreciate nature and at the same time, foster a caring and responsible approach towards the environment. We would like to extend this through the delivery of a bird identification workshops which will also discuss how to identify birds frequenting the area and their required habitats. This would not only encourage students and community members to actively look for birds in the Eco Classroom but in their own homes.	\$700	nil	\$700
Aldinga Beach B-7 Primary School	Waste management program 'Green Warriors'	To set up a sustainable School recycling and waste management system.	\$561	nil	\$561
Morphett Vale East Kindergarten	Christie Creek Bird Haven	We aim to involve the parents and children in connecting the habitat of Christie Creek (which runs behind our kindergarten) to the front garden of our site. We want to attract birds into a haven especially during the summer months. Climate change will exacerbate the lack of biodiversity for indigenous birds species that are already struggling to compete for limited resources. The area is adjacent to a community footpath leading to local trails and is frequented by many families and community residents. We would like to install a bird bath as a water source for birds and butterflies, plant local native plants and particularly small shrubs and ground covers to create habitat for small ground dwelling birds. We would like to celebrate the birds by creating artwork to go against the front of the building. The children will be involved in creating the artwork based on what they've learnt.	\$700	nil	\$700
Happy Patch Community Garden/Happy Valley Church of Christ	The Happy Pantry	Happy Patch Community Garden would like to set up a community food co-operative at Happy Valley Church of Christ whereby community members would be able to purchase a range of bulk goods at near wholesale prices. The items stocked would include wholesome and nutritious pantry staple items that community members can purchase using their own bags and containers.	\$2,800	nil	\$2,800
Southern Vales Christian College Incorporated - Morphett Vale Campus	Reducing waste to landfill: Education and action	Student leaders are going to run workshops for students and staff in the school to educate them in how to use the new bin and composting system.	\$692	nil	\$692
Southern Vales Christian College Incorporated - Aldinga Campus	Reducing waste to landfill: Education and action	We are going to be setting up a whole school waste management system to reduce the amount that goes to landfill. This will include providing adequate organic, recycling and landfill bins in every classroom and outdoor area and setting up a school worm farming system. Student leaders are going to be running workshops for students and staff in the school to educate them in how to use the new worm farm system. Student leaders are going to be running worm farming workshops for parents and the wider community.	\$683	nil	\$683
Seaford Districts Community Children's Community Centre Incorporated	Jenny Wren Memorial Garden - water tank and pump installation	Seaford District Community Children's Centre has a kitchen garden showcased on the Grand Boulevard which is accessed by all who attend the centre. We would like to install a rainwater tank and irrigation system including a small pump to enhance and expand our kitchen garden and conserve water resources.	\$700	nil	\$700

Organisation	Project	Project Description	Cash	In-Kind	Total approved
Friends of Parks Incorporated (Friends of Aldinga Scrub)	Introduction to propagating	We are planning to engage a team of experienced propagators from the Australian Plant Society to conduct a one-day workshop on how to propagate native plants. The workshop will consist of some group presentations and hands-on practical sessions.	\$700	\$150	\$850
Aldinga Beach Children Centre	The Giving Garden - native garden	The new section of garden aims to strengthen Aboriginal children's connection with the space and their sense of belonging. This will be done through working with the children and community to plan and create a native garden and cultural art pieces. Alongside the new area we envision the next phase of The Giving Garden to act as a source of education for the community. This will be through workshops and signage at the garden with information on the types of plants and their significance in Aboriginal history. The signs aim to state the importance of native vegetation whilst helping to promote and encourage Aboriginal heritage and culture.	\$700	nil	\$700
Seeds Uniting Church	Aberfoyle Community Garden	Aberfoyle Park Community Garden aims to open our garden up to more community members, for people to be involved with food security, growing food and seed saving. A place where people of all ages can share knowledge, grow food and recycle all parts of the produce by cooking, preserving and making compost and mulch. Our garden can be an example of sustainability to the wider community. To do this we need to become more productive, sustainable and create signage for improved communication.	\$526	nil	\$526

Every Generation grants					
Woodcroft Morphett Vale Neighbourhood Centre	Viva Italia!!	Italian themed intergenerational celebration day. Woodcroft College language students will assist with venue decoration and Bocce competitions. Italian food, music and fun for all. Community groups who use the centre will have stalls promoting their activities to the guests.	\$2,160		\$2,160
Fleurieu Folk Festival Incorporated	Crafty afternoons	Workshops for participants to learn or share the skills of crochet, macramé and friendship bands. Purpose is to promote intergenerational skills, sharing and dialogue. Workshops will include afternoon tea and live music.	\$2,160		\$2,160
Celebrate Seniors City of Onkaparinga Committee Incorporated	Young at Heart Art & Craft Exhibition	Organise and run art and craft exhibition featuring the work of people over 50 years. Exhibition has been running for 30 years with name changed to 'Young at Heart' to recognise the positive attitude of the artists and craftspeople who avidly support the exhibition.	\$1,728		\$1,728
Hackham West Community Centre	Every Generation - The Heart of Hackham West	Community lunch where all ages will come together to sing, dance and play instruments. Craft tables will encourage young people to work with elders on a project celebrating 'the Heart of Hackham'.	\$1,277		\$1,277
Seaford Community Centre Incorporated	Celebrating creativity through the years	Opportunity for older people to showcase their creativity to the community by coming together with an art, photographic and craft exhibition in the community centre's main hall during October.	\$525		\$525
Beach Road Artworks	Every Generation Art Days	Respond to and promote creative aspirations of the local community through an accessible visual arts program. Create a safe space of social inclusion which provides and avenue for artistic activity.	\$1,920		\$1,920
SPIN Southern Performers Interactive Network	Your Storey: life writing narrative, poetry and story telling for older generation	Life writing workshop aimed at facilitating seniors to capture and record significant events in their lives through narrative storytelling captured through the written word. Participants will have their story to share with their families.	\$1,141		\$1,141
Cherry Gardens Community Garden Club	Cherry Gardens Garden Club 20th Birthday Celebration Dinner	Community dinner celebrating 20 years of the garden club at Cherry Gardens activity with guest speaker Sophie Thompson speaking on the theme of sustainable gardens.	\$1,560		\$1,560

Organisation	Project	Project Description	Cash	In-Kind	Total approved
Minor Capital Works grants					
Port Noarlunga Soldiers Memorial Bowling Green Incorporated	Dishwasher upgrade	To replace the existing dishwasher with an equivalent size and capacity machine in our refurbished kitchen. The current dishwasher is very old and has malfunctioned on a number of occasions, costing in excess of \$1000 in repairs. The technician's diagnosis is that the dishwasher is near its end of life.	\$3,300	\$0	\$3,300
Happy Valley Cricket Club	Raising the Pitch Project	Re-concreting of cricket pitch to raised level of approx. 100mm, leveling of surrounding wicket (grassed area) to create mounded affect and re-turfing of cricket pitch with new stick down synthetic matting.	\$5,000	\$0	\$5,000
Christies Beach Surf Life Saving Club Incorporated	Standing together in the Wright Rooms	Christies SLSC is an active, creative and community minded organisation committed to providing opportunities (passive and active). To do this we use our Wright Rooms upstairs for training, learning, community groups and functions. This project seeks to replace the carpet which is now 15 years old, dirty and showing wear.	\$5,000	\$0	\$5,000
Noarlunga Model Railroaders Incorporated	Replacement of skylight in clubrooms	Skylight panels in club-room roof require replacement due to age and leaks caused by damage from pine cones falling from trees on council property adjacent to building.	\$1,089	\$0	\$1,089
SA Horse Trials Incorporated	Operation Re-fence	A post and rail fence will be built from behind our clubrooms to Pine Rd then along Pine Rd to the creek. The whole grassed area can be fenced off providing a secure environment for equestrian activities and protecting the natural vegetation.	\$3,218	\$0	\$3,218
Aldinga Sharks Soccer Club	Aldinga Soccer Club storage shed	We are looking to build a storage shed to facilitate storage of equipment and goods required on a daily basis around the club. Currently we have no storage on site making it very difficult to run a club from the facility.	\$4,149	\$0	\$4,149
Cherry Gardens Memorial Hall Fund Incorporated	Storeroom upgrade	Complete renovation and enlarging of existing storeroom facilities, which will include a timber framed structure, with an external texture board clad wall, new internal walls & ceiling & particle board floor on stumps and wider door.	\$5,000	\$0	\$5,000
Ironbank Cherry Gardens Tennis Club	Solar power system	Installation of a solar PV system	\$5,000	\$0	\$5,000
Christies Beach Sports and Social Club Incorporated	Concreting flooring	The project is to replace worn paving in pergola area to the South of clubrooms. Pavers are becoming worn and uneven and replacement of flooring is required.	\$5,000	\$0	\$5,000
Lions Club of Willunga & Districts Incorporated	Paving and Retaining Walls around the perimeter of our newly constructed "All Purpose Portal framed Shed"	Lions have recently constructed an all purpose portal framed shed on their property and to make this shed fully usable by the community we must now ensure that the surrounds are paved and retaining walls built for the safety of all participants in our community activities.	\$3,550	\$0	\$3,550
McLaren Vale Sporting Complex Incorporated	Safety bollard installation	It is proposed that a row of galvanised steel bollards be installed in two places to prevent motor vehicle access in an area between the netball and football clubs to allow for the safe transit of children and adults.	\$4,125	\$0	\$4,125

Organisation	Project	Project Description	Cash	In-Kind	Total approved
Old Cottage Playgroup Incorporated	Installation of outdoor blinds	We are looking to install outdoor blinds around the undercover area of the Old Cottage. This means we will be able to offer a larger space for the children to play in when the weather becomes cold during winter.	\$4,082	\$0	\$4,082
Southern Tigers Basketball Association	Plumbed and fitted ice machine	To purchase and install a commercial ice machine to assist community participants should they be unfortunate to sustain an injury during any activities at the Morphett Vale sports stadium.	\$2,111	\$0	\$2,111
Ironbank Cherry Gardens Football Club	Football goal net	The club wants to build a new goal net behind the northern end goal posts. In 2016 the Football Club installed a goal net at the southern end of the oval and for the same safety reasons wants to now complete at the other end of the oval.	\$5,000	\$0	\$5,000
Aberfoyle Community Centre	Bringing the inside out	The Centre with the support of the City of Onkaparinga built an outdoor undercover area (pergola) so more outdoor activities can be undertaken at the Centre. Stage 2 is to install blinds which will enabled more activities like Tai Chi to be delivered outdoors during the warmer months.	\$4,490	\$0	\$4,490
SUNA	Installation of shade sails & installation of outdoor fitness equipment	Shade sails installation over playground & installation of outdoor play and fitness equipment.	\$5,000	\$0	\$5,000
Happy Patch Community Garden/Happy Valley Church of Christ	The Happy Pantry	Happy Patch Community Garden & Happy Valley Church of Christ would like to set up a community food co-operative whereby members could purchase a range of bulk goods at near wholesale prices. Items would include wholesome and nutritious pantry items that community members can purchase using their own bags and containers.	\$5,000	\$0	\$5,000
St Pauls Lutheran Church McLaren Vale	Painting the Roof of the Care & Clothes Centre	The roof of the Care & Clothes Centre will be repaired, cleaned and painted, including the veranda. Fascias, posts, eaves and exterior windows will also be repaired and painted. The building is an old School Headmaster's house and is over 80 years old. The original iron is still on the roof.	\$5,000	\$0	\$5,000
Morphett Vale Country Fire Service	Replace fencing in the Morphett Vale CFS Fire Station Carpark	Replace fencing near the Morphett Vale Fire Station carpark.	\$900	\$0	\$900
Public Place Improvement grants					
Willunga Farmers Market Incorporated	Town Square beautification	Willunga Farmers Market transforms Town Square into a vibrant public space for community to gather and share in the regions produce. Attracting over 150,000 visitors pa, our aim is to beautify the public amenities with a mural. Leaving a footprint of the market and its vibrancy for all to enjoy.	\$5,000	\$60	\$5,060
Bassett St Neighbourhood Group	Bassett St Reserve Comunity Forest	A design plan proposal by residents to collaborate with council in improving the reserve was developed from our local survey, and fully approved. It includes pocket forests, nature play, creek rehabilitation. This grant would help fund flowering tree plantings -aerial gardens- and kerb planting "floats" in areas along verges.	\$4,995	\$0	\$4,995
