Reynella Smallbore and Air Rifle Club Inc	Sewer, earthworks and stormwater connection	Connect to the sewer that is now running behind our clubrooms and provide a stormwater connection from the front eastern side of the club building as well as removal of extra earth from the area because in the near future we would like to install a disabled toilet.	\$4,837
Maslin Beach Community Association	Kitchen upgrade	We are seeking an upgrade to the kitchen at the Maslin Beach Community Hall with the installation of a dishwasher. The purchase of a dishwasher will assist with health and safety, provide better service to the Maslin Beach Community and will make the hall more desirable for hiring.	\$3,647
Moana Surf Life Saving Club	Kitchen upgrade - mini refurbishment	Replace the existing ageing oven with a new one; the old oven will be removed and a new one installed by tradesmen. There may be some minor refurbishment required to ensure volunteers/staff have adequate preparation space, shelving and cupboards; the layout of the kitchen will not be changed.	\$3,250
Reynella Sports and Social Club	Solar power	Installation of solar power to club.	\$5,000
Hub Gymnastics Club	Flooring upgrade	The club is wanting to replace the existing flooring within the main entry area and the kindergym room. The current flooring is aged, damaged and very worn. An upgrade to this would enhance the usage, both from a kindergym perspective and an aerobic gymnastics perspective.	\$5,000

Morphett Vale Bowling Club	Water fountain	Install a covered chilled drinks fountain located between 'B' and 'C' greens near the northern aspect of the club.	\$1,936
Seaford Sports and Social Club	Verandah	We would like to build a verandah to attach to the north side our new changeroom building therefore completing our new development and providing shaded area between the changerooms and the pitch.	\$5,000
Kangarilla Progress Association Inc	Improve foyer and servery	We intend to replace the very old rusty garage roller door securing the servery opening and replace it with a modern, clean and secure roller shutter. We need to add 92% sun block roller blinds to the windows in the foyer which face east.	\$1,500
Aldinga Football Club	Aldinga Football Club flag poles	The Aldinga Football Club hope to increase participation of the wider community by showing the respect of flying the Australian Flag and Indigenous Flag on the grounds. The Aldinga Football Club are looking to increase their community to include people of all ages and races.	\$1,060
Cherry Gardens Memorial Hall Fund Inc	Safety fencing	Replace the fencing along the main road (currently poles and chain link) with low profile but secure safety fencing and include 3 vehicular access gates and pedestrian access either side of Hall. Also replace the existing tubular fence in front of entrance to match new fence.	\$4,500
Happy Valley Bowling Club	Relocation of switchboards	Using Weslec Electrical, improve council assets by relocating the main power switchboard and contactor control box to conform to electrical regulations, gain much needed bar storeroom shelving space (and making it a safer area), more secure bar, and maintain club focus of all electrical switching in a functional utilities room.	\$2,975
Blewitt Springs Community Hall & Progress Assoc	Entrance paving	We plan to retain and pave the approach to the hall entrance which leads off the road and parking area. It will include an area where guests can exit the vehicles and the drainage will be improved at the same time.	\$5,000
Anglican Pastrol District of Southern Vales	St Ann's Hall Step ramp	This application for funding is for the construction of one disability ramp. Once completed, the ramp will allow independent access to people to gain access to the hall for meetings. This includes wheelchair access and access for people with walking difficulties. We currently turn away requests for use.	\$550
The Vines Golf Club of Reynella	Installation of a permanent disability access ramp and handrails	Installation of a permanent disability access ramp and handrails - currently using temporary/portable unit which needs to be deployed when needed. Fleurieu Folk Festival Inc	Beeswax Wrap Project	For the fifth year the Fleurieu Folk Festival is creating a discovery trail, a 'Yellow Brick Road' type of activity, to create an interesting, educational and enjoyable experience while encouraging children and their families to explore the entire Festival. This year's discovery trail will follow a theme encouraging environmental sustainability.	\$959	\$0	\$959
Hackham Baptist Family Church	Native Edible Garden - Hackham Connected Gar	We propose to convert a section of our garden to a native edible garden and walkway providing an educational space to grow, explore and experience native plants and foods. We would like to engage a garden designer to design the project and assist in implementation. Once planted and landscaped, we would hold an open day incorporating a demonstration of plants with an education session to be held on their uses.	\$1,626	\$0	\$1,626
Woodcroft Primary School	Planting food bearing plants and grasses indiger	Plant water saving, food bearing plants and grasses that are indigenous to the coastal areas of the Fleurieu Peninsula. Explore the diversity of native food plants (bush tucker) and their role in sustainability as a food source for human consumption. Make worthwhile a degraded and underutilized area of the School grounds.	\$729	\$0	\$729
Southern Montessori Education Centre Inc	SMS Garden Project and Moana Sands JV	Southern Montessori wishes to continue to develop and improve the educational outcomes for our children. Several areas that are the focus of this grant are our Horticultural program, our Cooking Program and also our partnership with the Friends of Moana Sands Conservation Park. The project will also allow for the children to sell stock to families for planting on their own properties and also possibly operate a stall at the local community markets.	\$466	\$534	\$1,000
Port Noarlunga Primary School	Native Plant Community Education Garden	Students at school have been learning about Indigenous use of local plants. We are planning on students and volunteer community members planting these plants in an area of the school that is a public thoroughfare. Signage will be used to describe the plants and how they can be used. In this way when the community walk through the school they will be able to learn about the plants in this publically accessible space. Community members will be able to volunteer their time to help the students to plant.	\$608	\$0	\$608

Aldinga Arts Ecovillage Inc	Closed loop green manure system Part 3.	Aldinga Arts EcoVillage requests funds to purchase a light weight tipper trailer to transport green 'waste' from its source to our organic farm and worm-farm, thus better supporting the efforts of our volunteers. The project is the third part of a plan to create a closed loop waste management strategy that eliminates all green waste being sent off-site from the ecovillage.	\$1,800	\$0	\$1,800
