

# FUNDING FOR INCLUSIVE PARTICIPATION

This grant program provides funding for community development projects or small equipment purchases to address barriers to inclusion in sport and active recreation for targeted populations. This includes people who may be socially disadvantaged, culturally and linguistically diverse, people with a disability, Aboriginal or Torres Strait Islanders, youth/children and mature aged people. Priority is given to new projects however existing projects are eligible to apply.

HYPOTHETICAL ELIGIBLE CASE STUDY EXAMPLES		*Matched funding required (cash or in kind)
	NEW	EXISTING
<b>COMMUNITY DEVELOPMENT PROGRAM</b> (max \$3725*)	<b>Club seeking funding for a new youth fitness program</b> The Mockingbird Netball Club applies for funding to run a new dynamic teens fitness program, targeting youth. This four week program aims to inspire and motivate young people about fitness and healthy eating which may lead them to joining the netball club, or one of the other sporting groups located nearby.	<b>Club applying for funds for an existing multicultural program</b> The Roosters Rugby Club has run a multicultural development program since 2011 with participation numbers growing each year. The club recognises that participants regularly consume high sugar foods and drinks. As an extension to the existing program, the club applies for funding to engage a dietitian to offer advice and guidance to its participants throughout the program.
	<b>Commercial outdoor fitness trainer approaches community centre to run a program</b> A local commercial outdoor fitness trainer approaches the Oaks Community Centre (which is situated in an area known to have a large percentage of children from low socio economic backgrounds) to run a 12 week outdoor fitness program for children after school. As commercial operators are ineligible to apply for a community grant, the Community Centre applies for the grant to cover the trainer's fees. The Community Centre also applies for a small equipment purchases grant to cover fitness equipment needed for the program, that will then become property of the community centre once the 12 week program is completed.	<b>Club applying for funding for an existing Aboriginal and Torres Strait Islander program</b> The Eels Football Club run a popular program for the Aboriginal and Torres Strait Islander community each year. This program has grown so much, a second sports trainer is required. The club applies for a grant to cover the trainers fees for the eight week program.
<b>SMALL EQUIPMENT PURCHASES</b> (max \$1720*)	<b>Recreation centre seeking funding for new equipment for disengaged youth program</b> A local recreation centre runs a successful midnight basketball competition targeting disengaged youth. The recreation centre applies for funds for new portable rings and stands to use at their informal play space.	<b>Club seeking funding to replace equipment for older adults program</b> The Aces Soccer Club have been offering a Golden Goaly soccer program for the last four years, targeting older adults aged 60 years plus. The club applies for a grant to upgrade the portable soccer goals.
	<b>Club applying for new equipment for program for people with a disability</b> The local surf life saving club have been running several surfing classes for people with a disability each summer. They apply for funds to purchase two beach specific wheelchairs.	<b>Community centre applying to replace equipment for new mothers program</b> The Coast Community Centre offers an exercise program targeting isolated new mothers. The centre applies for funding to replace equipment including small weights, chi balls and yoga mats.
