

Coast Park Trail – Sellicks Beach

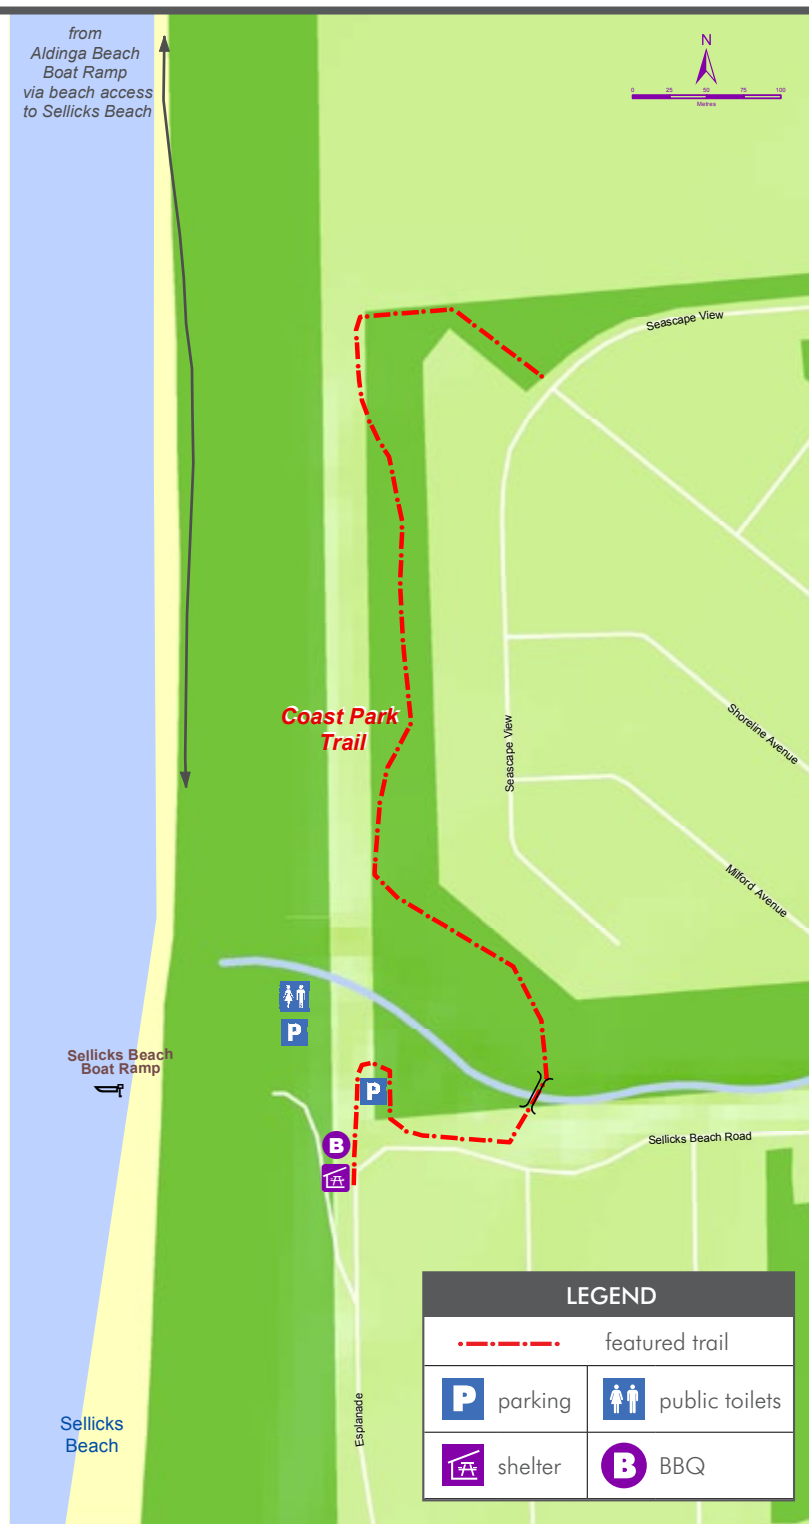

Trail length: 1km

Difficulty level: easy

Access: walking, cycling, horse riding

Setting/experience: coastal linear trail

This spectacular section of the Coast Park Trail offers a short meander along the top of the dunes of Sellicks Beach. The trail features beach access at either end of the trail with amazing coastline scenery. A bridge across the storm water retention ponds is a key feature along with the BBQ, shelters, car park and lookout area above the crystal clear waters of Sellicks Beach.
