Questions

I am willing to answer questions from Elected Members after my deputation: Yes ☒ No ☐

If yes, please ensure you keep your responses succinct and relevant to your deputation.

The topic or issue I wish to speak about is: *(please give sufficient details of the matter to enable consideration of your request for a deputation)*

Community Food Hub/Social Supermarket – I wish to express the need to establish such a venture embedded within community and not in a separate commercial location.

The relevance to Council in relation to the subject matter is:

NOTICE OF MOTION – CR YEOMANS – COMMUNITY FOOD HUB, HASTINGS STREET COMMUNITY HALL, SEAFORD on page 539 of the agenda requests further consultation and investigation into moving the venture to a commercial location.

What expectations do you have of Council as a result of this deputation?

To hear directly from myself as a community representative and long term resident of the City of Onkaparinga, having worked with and in our most disadvantaged communities for 20+ years.

What benefit will be delivered to the general community as a result of this deputation?

Councillors will have the opportunity to hear directly from a person living in the community who has worked 20+ years in this area and has also been a client of services such as Foodbank and Financial Counselling as a single parent of 3 children with disabilities. Embedding services within the community is critical, working at The Smith Family for 5 years my office was always co located within a school to reduce the barriers to access with great success.
